LOL Student Use Liability Agreement

Student Name

This Student Apple iPad Use Agreement is made effective as of the date of the last signature between Our Lady of Lourdes Parish School (“School”) and the above-named student and the student’s parent or guardian (collectively referred to in this document as “Student”).

Equipment Subject to Agreement: The Equipment subject to this Agreement (“Equipment”) includes the Apple iPad, Apple iPad accessories, and related software in the following list:

- One Apple iPad 32GB or 128GB Space Gray
- One Apple Lightning to USB Cable (1m) (Middle School)
- One Apple 12W USB Power Adapter (Middle School)

Back-up Requirements: The Student may store documents or other files on the Equipment, and the Student is responsible for making backup copies of such documents or other files, preferably through school-issued programs/Apps. In the event of loss of such documents or other files, the School’s responsibility is limited to reloading the School’s standard software suite on the Equipment.

Care of Equipment: The Equipment may only be used in a careful and proper manner. The Student shall keep the Equipment in good operating condition, allowing for reasonable wear and tear. **The Student shall immediately notify the School’s Technology Coordinator if the Equipment is not in good operating condition or needs repair.** The Student’s Parent(s)/Guardian(s) shall be financially responsible for repairs. No personal stickers or writing is allowed on the Equipment. School ID stickers may not be removed from the Equipment. The Equipment must always be kept in the case purchased through school (Otterbox Defender).

Compliance with Software Licenses: The Student shall not make copies of the software licensed to the school. The Student is responsible for compliance with the license terms of any licensed software, and the Student agrees to hold the school harmless for any violations of such license terms.

Device: This Agreement shall apply to any model iPad issued by the School until a new Apple Equipment Use Agreement is executed between the parties.

Entire Agreement and Modification: This Agreement constitutes the entire agreement between the parties. No modification or amendment of this Agreement shall be effective unless in writing and signed by both parties.

Equipment Storage and Use at School: The Equipment must be on the School's premises during each of the student's normal school days. During the School's normal business hours or after school, when the Student is not in the immediate presence of the Equipment, the Equipment must be secured in a locked classroom or other secure, approved location.

Governing Law: This Agreement shall be constructed per the laws of the State of Florida.

Identity of School for Loss or Damage: If the Equipment is damaged beyond repair or lost the School shall have the option of requiring the student to reimburse the School for the full repair to a good working state or the full replacement cost of such Equipment from Apple Inc.

Loss: The Student and Parent(s)/Guardian(s) assumes all risks of loss of the Equipment and agrees to return it to the School in the condition received from the School, except for normal wear and tear.

Ownership: The School shall be deemed to have retained title to the Equipment at all times unless the School transfers the title. The Student shall hold no security or ownership interest in the Equipment. Likewise, the Student shall hold no security or ownership interest neither in the licenses to the installed software included with the Equipment nor in the licenses to any other software that the School may from time to time install on the Equipment used by the student.

Right of Inspection: The Student shall make the Equipment available to school personnel as necessary for purposes of inspection, maintenance, repair, upgrading, and/or software installation during the School's normal business hours.

Severability: If any portion of this Agreement shall be held to be invalid or unenforceable for any reason, the remaining provisions shall continue to be valid and enforceable. If a court finds that any provision of this Agreement is invalid or unenforceable, but that by limiting such provision it would become valid and enforceable, then such provisions shall be deemed to be written, construed, and enforced as so limited.

Term Equipment Use: The Student shall return all Equipment itemized above in good operating condition to the Technology Department of the school if the student is not enrolled in the current school year (unless the School transfers the Equipment title). The School may require the Student to return the Equipment at any time and for any reason.

Use of Equipment: The primary use of the Equipment by the Student is for the Student's educational programs. The Student may use the Equipment for other purposes only to the extent that such uses do not interfere with the primary uses. The Student shall abide by the School's Acceptable Use Policies (AUP). Violation of the School's AUP, which requires administrative correction/repair by the School's Technology Department, will incur a minimum fee.

Waiver: The failure of either party to enforce any provision of this Agreement shall not be construed as a waiver or limitation of that party's right to subsequently enforce and compel strict compliance with every provision of this Agreement.

OLOL Google Apps for Education Account Agreement Form

As with any educational endeavor, we feel that a strong partnership with families is essential to a successful experience. Therefore, we are asking your permission to provide a Google Apps account to your child. As parents of children in this technological age, it is necessary to take steps to monitor and protect our children in their usage of technology and digital citizenship. No account will be assigned without a parent's or guardian's permission.

Under FERPA, a student's education records are protected from disclosure to third parties. Google does not request any personal information from students and OLOL does not provide personal student data (ex. birthdate, address, phone number, grades, test scores) to Google. That information resides in the OLOL student information system and is **NOT** stored or available to Google.

I understand that by participating in Google Apps for Education, information about my child will be collected and stored electronically. Examples of student information in Google are assignments, notes, calendars, and projects created by the student. I have read the privacy policies associated with the use of Google Apps for Education (<http://google.com/a/help/intl/en/edu/privacy.html>) I understand that I may ask for my child's account to be removed at any time.

_____ **YES**, I permit for my child to be assigned an Our Lady of Lourdes Parish School Google Apps for Education account. This means my child will receive limited and monitored access to Google Apps. By doing so, I agree to enforce acceptable use when my child is off OLOL property. Parents also have the right to have their child's account to be disabled at any time.
